

***Dear CDC Pastors, Administrative Secretaries, and Healthcare Ministry Leaders,***

Greetings in the name of Jesus!

I am your CDC Health Professional (HP) President, Sis Maggie Whitman.

I want to first extend my gratitude for your support, I was very pleased 20 HP members showed up ready to serve during the July Conference, thank you.

The CDC Autumn Conference is fast approaching. Our Diocesan, Bishop H.L. Johnson has requested that we increase our numbers to include HP's and volunteers from member churches in all 5 regions.

To ensure that we have adequate HP support, health resources, supplies, equipment, and first aid materials ... ***we need your help!!!***

- 1) We ***MUST*** identify other health professionals/ healthcare ministry workers and leaders across the state.
- 2) We ***MUST*** have consistent financial support from all HP members and CDC churches.  
[HP Membership Dues of \$10.00 is assessed per member at each major CDC conference]

***Please*** have ***one*** of your HP leaders contact me. A report sheet is attached for your use.
