

Praise the Lord,

*Bishop Henry L. Johnson
Suff. Bishop Robert T. Douglas Sr.*

Please let me take this time to introduce myself. I'm Sis. Gloria Collins from Bethesda Temple Church in Los Angeles.

*The council that was held on July 6-11 was well done. I was so glad to be a part of the services starting on Monday night with the women. It was amazing. Tuesday the choirs (I've got to make it to that city)! Wednesday, Thursday, Friday and Saturday nights marching with the **USHERS** was the best yet. And to let you know I served on both as an usher and in the choir. At Saturday's reunion it was great to see some of the past presidents.*

I truly believe that God has given Bishop Johnson the vision for the people, and Bishop Douglas the dream. The 24 hour prayer room was the highlight of the conference. When we gather together to seek his face, God will move on our behalf, as he did for us in this conference. I do believe that God has given us just what we needed at such a time as this. It gave me joy. My spirit was filled and my soul was blessed.

Keep moving in this direction and it will be a blessing and help to the people of God.

*Thank you for taking us back to that **OLD LANDMARK!***
