

# Ways & Means

CALIFORNIA DISTRICT COUNCIL  
HEALTH PROFESSIONALS

*Praise the Lord California District Council Bishops, District Elders, and Pastors:*

**Ways & Means** is the vehicle in which the California District Council Health Professionals (CDC HP) solicit donations to help us serve the CDC body and community. To provide **"5 Star" service**, we are asking that each church support with any desired contribution of **\$25 to \$100** ... or more.

**Ways & Means** is the method in which the International Health Professionals (IHP) obtains finances, in which a minimum **\$100** is assessed for each state at the PAW State Conventions. *However*, we are asking that each CDC church donate \$10 towards the state's contribution to the IHP-PAW, which the CDC HP President will report in August, at the International PAW Convention. It is of utmost importance that we obtain these funds to provide good representation of California at the PAW International Convention.

Our goal and expectation is that every church in the PAW membership will support the Healthcare Ministry at both the state and international levels.

We thank you in advance for your cooperation and support as a team player, working together to meet our collective goals.

In Christ,  
*Sister Chris Headlee*  
CDC HP Vice President

*Please send monies payable to: CDC to 26873 Sierra Highway #112, Newhall, CA 91321, Attn. Chris Headlee*

**With your help it is our aim to serve and be available to meet your needs. Our goal is that HP members across the state will work collaboratively with us to provide the following services at their local church and CDC Councils Events:**

- On duty service at all major assemblies and meetings
- Emergency CPR and first aid treatment
- Safety and injury prevention
- Blood pressure screening, education and referral
- Health fairs and health resource / information
- Health seminars to advance education and knowledge in health awareness and disease prevention.

**Any questions please contact: CDC HP Vice President, Chris Headlee (661) 645-3892**
