Conference Welcome

184th Bi-Annual Conference

San Diego Marriott Mission Valley, California

BISHOP HENRY L. JOHNSON

Diocesan

"Who is this King of glory? The LORD strong and mighty, the LORD mighty in battle." (Psalms 24:8)

We give honor to our Lord and Savior, Jesus Christ... and extend apostolic greetings to our Resident Bishops, Suffragan Bishops, District Elders, Pastors, Delegates, and Guests!

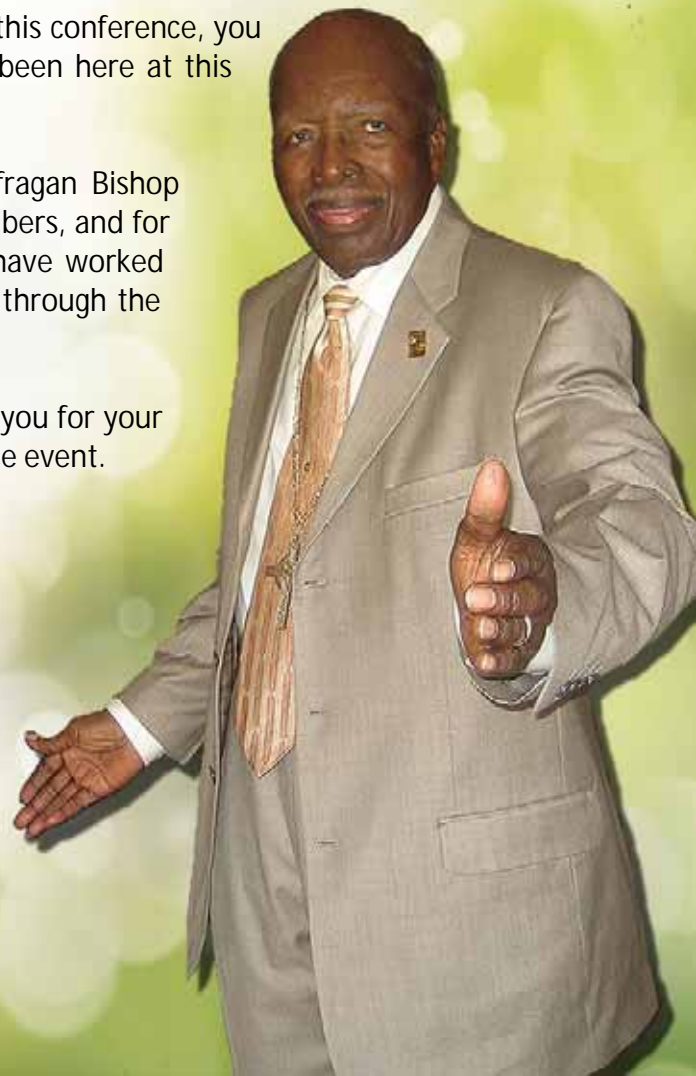

"The Year of Restoration"... a theme that could not be more fitting and appropriate for such a time as this. As God's favor is upon us and knowing we have found grace, forgiveness, and mercy in his sight, it is our duty to restore, renew, and reestablish our brothers and sisters in Christ. It is time to put into action one of the great exhortations given in Galatians 6:1 *"Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted."* This requires us to be submissive and exemplify humility, a move towards a worthy and necessary endeavor, which is to ultimately restore and mend that which is broken. I am confident that by the time you leave this conference, you will be able to say that it was good and pleasant to have been here at this place, and most of all, this is *The Year of Restoration!*

Without remiss, I am grateful for our CDC Chairman, Suffragan Bishop Robert T. Douglas, Sr., the very hard working CDC Staff members, and for the CDC Program Chairman and committee, of whom all have worked conjointly to ensure the needs of our constituents are met through the various programs and activities planned for this session.

Again, I extend a very warm welcome to you all... and thank you for your continued support of the California District Council conference event.

In The Master's Service,

Bishop Henry L. Johnson, D.L., D.D.
Diocesan
16th Episcopal District
of the Pentecostal Assemblies of the World, Inc.

10:00AM - 10:50AM	"Time is Money" Panel Discussion <i>Facilitator: District Elder Dr. William A. Benson (Total Deliverance Worship Center)</i>	Sierra 6
	It may not seem like it but yes, there is really is enough time in the day to accomplish necessary tasks and goals. God does not make a mistake when he allows the sun to rise and set at its appointed time in a day. We often make the mistake of not managing our time correctly, forcing ourselves to carry out tasks in a mediocre fashion, or not completing them at all. Furthermore, Mismanagement of our time directly correlates with mismanaging our money. This seminar is purposed to teach the saints of God how to manage our time and finances wisely so that we can efficiently utilize the time God gives us in a twenty-four hour day and the money He blesses us with.	
11:00AM - 11:50AM	"I Was Made to Worship" <i>Facilitator: Evangelist Lisa Caleb (Artesian Well Faith Center; Long Beach)</i>	Sierra 6
	In our secular pursuits, our peers and colleagues challenge us in various ways to develop our skills and perform our duties better. However, some of us have not realized our potential as true worshippers even though that is our most important job as servants of Jesus Christ. Some churchgoers do not completely worship God with their minds, bodies, and hearts in their private time, so they do not know exactly how to collectively worship with other believers when they attend church services. This workshop will empower the saints of God to genuinely develop their individual worship to the Lord so that they are always giving God glory in all things according to Psalm 34:1.
